

## CERTIFICATION & REFERRAL COURSE PRICES – 2018

\* **NOTE – Basic Requirements for ALL Courses** – Students must complete a medical evaluation form and if necessary, seek Medical advice and clearance for any pre-existing conditions specifically pertaining to SCUBA diving. **Recreational level courses** (all up to Rescue Diver & Master Scuba Diver) – costs include required equipment rental. Courses priced with Manuals include the cost of the learning materials. **Pro-Level Courses** (Divemaster and above) do not include equipment or learning materials. Please note that **eLearning courses** (completed with BWD through PADI.com) have an additional charge for the e-Learning portion, which is paid when registering online – **to register for eLearning**, see our Courses website page and follow the eLearning link for the specific Course you wish to take; this will automatically register you as a Student with BWD. For **Junior level eLearning** courses, there are **different age requirements** – see details in table below.
